PREFACE.

On January 31st, 1756, Governor Robert Hunter Morris appointed and commissioned Edward Shippen, Samuel Morris, Alexander Stedman and Samuel McCall, Jr., to "audit, liquidate and settle" the accounts of the owners of all Wagons, Teams and Horses hired or destroyed in the expedition of General Braddock against Fort Du Quesne. This commission is printed in the First Series of Pennsylvania Archives, Volume II, Page 598.

The following is endorsed as the account settled by the above named four gentlemen ; it is, however, entirely in the handwriting of Edward Shippen.

It is believed that this account, printed from the original, in the possession of the editor, is of sufficient interest to students of American History to warrant its publication.
